The Committee of the Privy Council have had before them a report, dated 2nd July, 1915, from the Acting Minister of the Interior, stating that Russell Totty was granted homestead entry for the South East quarter of Section 18, Township 16, Range 21, West of the 4th Meridian, on the 17th February, 1908, and was granted pre-emption entry for the South West quarter of Section 17, Township 16, Range 21, West of the 4th Meridian, on the 5th February, 1909.

That it has been ascertained that the residence duties have been partly performed and that a considerable area has been brought under cultivation.

That during the year 1910, Mr. Totty was compelled to return to England owing to ill-health.

That the attached copies of medical certificates show that there is no likelihood of Mr. Totty ever being in a fit physical condition to resume the performance of his settlement duties.

The Minister, therefore, recommends that in view of the statements contained in the medical certificates above referred to, the residence requirements of the Dominion Lands Act be dispensed with in this case in accordance with the provisions of Sub-Section 2, of Section 20, and of Sub-Section 5, of Section 27, Chapter 20, 7-8

I have your form letter dated the 8th of March, 1943, which was received in this Department from John [illegible] Melnyk.

The information as contained in the said letter shows that he purchased the above-mentioned land, which was patented on the 1st of May, 1911, in favour of Nicholai Litz. In the circumstances we would not have a record of his entry.

It may be possible that Mr. Melnyk obtained some other land as a homestead entry. Such being the case, it would be appreciated your forwarding this information in order that we may check our records as to his name and nationality.

The Hon.

6th December 1907.

The Minister of the Interior,

O T T A W A.

Dear Sir:-

I beg to enclose herewith a Petition signed by 31 residents of a district North West of here, in which they ask your favourable to sell them 16 acres of land for a cemetery.

The land they desire to [illegible] North East corner of the West half [illegible] 6, township 53 range 6 West of the 4th meridian.

The petitioners are mostly members of the Greek Catholic Church, and the cemetery would be used by a population surrounding the land for 12 miles on each side.

The land sought for is part of a homestead which has not and probably never will be filed upon, as it is mostly water, but there is 11 acres at least of land which would be suitable for the purpose for which it is required.

The [illegible] and business is being done, is Paul Melnyk.

Will you kindly refer the matter to your department, and let me hear as soon as possible, with respect to the formal rules of the application being successful, when I will immediately communicate with the parties interested,

Respectfully yours,

[illegible]

G.H.

Ref.No.1500969.

Department of the Interior,

Land Patents Branch,

31st January, 19 8.

MEMORANDUM:-

Mr.Norman Murray, Barrister of Vermilion, Alberta, encloses a petition from thirty-one residents of the district, in which they ask for a grant of ten acres of the N.E.¼ of Section 36, Township 53, Range 9, West of the Fourth Meridian, for cemetery purposes.

Mr.Murray points out that the quarter section in question is composed of land which has never been entered for, as it is nearly all covered by water, but that the ten acres applied for would be very suitable for the purpose for which it is required.

This quarter section is vacant in the records of the Department, and I know of no objection to the application being granted, upon the usual evidence being furnished as to the incorporation of the cemetery company, and upon the usual $1.00 patent fee being remitted. If this recommendation is approved, the grant will be authorized by an Order-in-Council, under Section 196 of the Dominion Lands Act.
